## BIOFIRE

### **WE DO NOT INVENT THE LIVING, WE TURN IT EXCLUSIVE.**

The will for greater efficiency, the search for differentiation, achieved by the development of unique products, and the respectful commitment to ecology are present in every detail of Biofire. Totally committed to high quality and more ecological decorative fireplaces, Go Plus directs its products to a dynamic global market always oriented by its fundamental objectives: Design and Innovation, Customer Satisfaction, Quality of Product and Environmental Preservation. The Quality Management and Environment System certifications, obtained in March 2010, according to the NP EN ISO 9001:2008 and NP EN ISO 14001:2004 norms certify the high quality standards used in product development and manufacturing, as well as the global methodology of the company that secures the confidence of our customers and the demanding respect for the environment.

### **NO INVENTAMOS EL LIVING, LO CONVERTIMOS EN EXCLUSIVO.**

*La voluntad de una mayor eficiencia, la búsqueda de la diferenciación, logrado por el desarrollo de productos únicos, y el compromiso de respeto a la ecología están presentes en cada detalle de Biofire. Totalmente comprometidos con alta calidad y chimeneas decorativas más ecológicas, Go Plus dirige sus productos a un mercado global y dinámico siempre orientado por sus objetivos fundamentales: Diseño e Innovación, la satisfacción del cliente, la calidad del producto y de la preservación del medio ambiente. Las certificaciones de gestión de calidad y medio ambiente obtenidos en marzo de 2010, de acuerdo con la norma NP EN ISO 9001: 2008 y la norma NP EN ISO 14001: 2004 certifican la alta calidad de estándares utilizados en el desarrollo de productos y fabricación, así como la metodología global de la empresa que asegura la confianza de nuestros clientes y el respeto exigente para el ambiente.*
