# CONTINUITY

Multifaceted luxury. A new bed system for a new lifestyle experience in the home: As a corner arrangement or centrally-placed, as an island or a more traditional solution, night-time or day-time-look, or as a sofa. Perfect in any situation, a sofa-bed that creates a graceful, alluring presence in any environment where anything can be used in a different way or with other elements to become something completely different. Extendible or compactable forms, single or dual structures in any environment that is always open to new zones. Allusive and unpredictable, skilfully casual design. You and me. Changing the feeling of space. Sensual, emotional, intuitional. Personal textures in multi-version themes for free interpretation of style. Of New York inspiration, with the cool chic of hide and leather. Up-to-date, with zingy fine-ribbed corduroy. Luxury, with the elegance of bouclé and linen. Modern, with the latest grisailles and herringbone wool. Easy chic, with casual cotton. Fashionable. With bed linen in a choice of linen bends, shot-cotton, egyptian and lisle cotton. And with bed and sofa accesories, with the soft knits of hand-fringed wool with a vintage flavour, finely-striped mohair or knitted cashmere. Glamour, with duo-tone, overstitched wool or cashmere with fringes, feathers or plaited with woolen threads.

*Múltiples facetas de lujo. Un nuevo sistema de cama para una nueva experiencia de vida en el hogar: Como disposición de esquina o centralmente colocado, como una isla o una solución más tradicional, de noche o de día, o como un sofá. Perfecta en cualquier situación, un sofá-cama que crea una presencia elegante, atractivo en cualquier entorno en el que puede ser utilizado de una manera diferente o con otros elementos para convertirse en algo completamente diferente. Formas extensibles o compactables, estructuras simples o dobles en cualquier entorno que siempre está abierta a nuevas zonas. Diseño alusivo e impredecible, con habilidad casual. Cambio de la sensación de espacio. Sensual, emocional, intuitivo. Texturas personales en temas multi-versión para la libre interpretación del estilo. De inspiración Nueva York, con el elegante fresco de pieles y cueros. De lujo, con la elegancia de bouclé y lino. Moderna, con los últimos grisallas y lana de espiga. Elegante, con algodón ocasional. De moda. Con la ropa de cama en una selección de curvas de lino, un disparo de algodón, algodón egipcio y lisle. Y con accesorios de cama y sofá, con los tejidos blandos de la lana a mano con flecos con un sabor de época, mohair o la cachemira de punto fino-rayado. Glamour, con dos tonos, de lana o cachemira sobrecosido con flecos, plumas o trenzados con hilos de lana.*
